

MCS RULES & CONSEQUENCES

Dear Parents and Students,

Welcome to Monmouth Chinese School. As you know, we share our classrooms with Dugan Elementary School. As a result of that we are in effect guests of their school. We need to work together to ensure that the privilege of using their school is not put in jeopardy. Both parents and students will be held responsible for the damages or vandalism that occurs on school property. Please be advised:

- 1) Students must respect the classroom that they are in. All work and materials within the classroom should remain in the classroom EXACTLY the way you found it. None of Dugan's materials, including pens, pencils, crayons, towels or tissue, can be used. Each desk must be left the way it was found. Vandalism will not be tolerated. In particular, the ActivBoard within each room must not be touched in any way. The cost to replace this ActivBoard is \$6,750 and will be the sole responsibility of the parents should it be damaged by your child.
- 2) Absolutely no drinking or eating is allowed inside classrooms or in the gym. No glass bottles are to be brought to school.
- 3) No one should use or touch the computers inside the classroom and cafetorium.
- 4) During class, the use of cell phones, iPods, iPads, Nintendo DS, Gameboys, PSPs, and other electronic devices are not allowed. Electronic devices used during class will be confiscated and parents will need to retrieve them.
- 5) Be considerate. Walk quietly in the hallway. Do not run or make loud noises.
- 6) Due to serious peanut and tree nut allergies, it is mandated by the Marlboro School District that no such items be brought into the school.
- 7) Trash should be properly disposed into the appropriate containers marked trash, recycled bottles and cans, and mixed papers.
- 8) Due to safety reasons, there is no running in the cafetorium.
- 9) Children should not be on the stage without a teacher's permission.
- 10) During school hours, students should not be outside the school building without a teacher's permission.

Please take the time to carefully review all of the above rules with your child. Your child's and your signature are required to indicate that you understand and accept these rules and its consequences. Every child must turn in this form to his/her teacher to proceed with the school year. Thank you for your cooperation. We look forward to working together to build a safe and healthy learning environment.

Sincerely,
Izen Su, Principal

Larry Chan, Vice Principal
